

President's Message

Marietta Bible College is an unusual school. We emphasize prayer. Each week there are many collective student body prayer meetings. As the young people pray, you will hear two things emphasized. First, that the basis of prayer is the blood of the Saviour. It is by the blood that we have access to the Throne of Grace. Secondly, you will hear emphasized in their prayer, their great dependence and need of help from the Lord. James taught in the first chapter of his epistle, "If any man lack..." I have never been around any group of young people who desired to pray, and pray as fervently as do the students of Marietta Bible College.

We don't have pre-medicine, pre-law, business or art. We are a small school which emphasizes prayer and preaching. We believe this is the basic need in American Christianity. We would appreciate your prayers as we continue to do our best to train young people for His service.
